

Composition of St Andrew's Governing Body

St Andrew's has a governing body of approximately 12 members with representatives from 4 categories. The categories of governor at our school are as follows:

Parent

Parent governors are elected by members of the parent community. They must have legal parental responsibility for a child registered as a pupil at our school.

Staff

Staff governors are elected by all staff, either teaching or support staff. The headteacher is a member of the governing body by virtue of his/her office and counts as a member of the staff category.

Local Authority

This category of governor is appointed by the Local Authority.

Community

Community governors are appointed by the governing body to represent the wider community served by the school. The governing body is encouraged to recruit representatives from local business and charitable organisations. Appointments are made by nominations and voting by all governors at the full governing body meeting.
